Dear Friend,

Thanks for your interest in Trekkers. I'm sorry that you were not able to participate in the Trekkers program back in 7th grade, but hopefully there will be a chance in the near future.

If you are interested in being put on the waiting list, please fill out the entire application and return it in the enclosed envelope.

The way the waiting list works for future programs is the following:

During the year, I will send a letter to students already involved in Trekkers outlining the program for their particular class. Each student will have a time period to get his or her paper work back to me in order to go on the trip. If after the deadline we have spots available, then I will invite those students on the waiting list to participate for that particular grade.

If you have any questions or need additional information please feel free to call me at 594-5095 or e-mail me at don@midcoast.com.

Sincerely,

Don Carpenter
Executive Director

Trekkers Waiting List Application

Trekkers Partnership With The Schools

Trekkers has worked as a liaison between the schools and the families of Trekker students throughout its 10-year existence as an organization. It is our goal to check in with the schools as a way to provide extra support for your son or daughter during possibly difficult academic and/or behavioral times. This way Trekkers can meet with the schools, students and families to help rectify the situation in a timely manner. With this in mind, please sign below to grant Trekkers permission to check in with the teachers, principals and the guidance department staff of SAD #50 on behalf of your son or daughter if and when academic, behavioral and/or emotional needs arise.

Trekkers Chemical Free Policy

I/we agree to abide by the **chemical free** policy of Trekkers while participating on the trip. This means that I will not take any drugs, alcohol, or tobacco of any kind on the trip. If I am found with the above-mentioned substances I understand that there will be consequences to my actions, including the possibility of me being sent home at the parent/guardian's expense and not being invited to participate in future Trekkers activities.

I have read the informational packet provided and agree to authorize Trekkers to check in with the schools on my son or daughter's behalf and agree to abide by the Trekkers Chemical Free Agreement.
